Thank you for making a SORN. Your transaction has been successful. The SORN will be valid until the vehicle is taxed, sold, permanently exported or scrapped. SORN cannot be transferred to a new keeper.

Any full months refund of vehicle tax, will be calculated from today's date and will be automatically issued within 4-6 weeks. Any direct debit mandate (if applicable) will be cancelled.

Check your name and address is correct on your logbook (V5C) as it will be used to refund any future payments if you declare SORN or sell/transfer your vehicle. You can update your address here: [www.gov.uk/change-address-v5c](https://www.gov.uk/change-address-v5c) (<https://www.gov.uk/change-address-v5c>).

If you have not provided an email address, then print this page by using the button below as DVLA will not send you an acknowledgement letter. If this is not possible then you should make a note of the reference number and vehicle registration number which can be used to confirm your transaction.
